

Template to mount TCU (150-W) to Mobile Stand (26800)

Mounting Instructions

- 1) Very carefully cutout entire template (large gray box) from this instruction sheet.
- 2) Using tape, fasten entire template to the mobile stand faceplate.
- 3) Using a 5/64" drill bit, carefully drill both screw holes to accept mounting screws.
- 4) Fasten mounting bracket on mobile stand using provided mounting screws.
(DO NOT OVER TIGHTEN)
