Color Atlas of Chemical Peels

(Eds.)A. Tosti; P.E. Grimes; M.P. De Padova

2006, XIV, 216 p. 286 illus., 282 in colour., Hardcover

ISBN: 3-540-21279-5

Contents

Part I		1.2.3	Dark Skin	8
Types of Chemical Peels:		1.2.4	Melasma	8
Advantages/Disadvantages –		1.2.5	Photoaging	9
an Illustrated Algorithm		1.2.6	Post-inflammatory Hyperpigmentation	9
1	Types of Chemical Peels	3		
	Antonella Tosti, Maria Pia De Padova, Matilde Iorizzo			
1.1	Advantages/Disadvantages	4		
1.1.1	Glycolic Acid	4		
1.1.1.1	Advantages	4		
1.1.1.2	Disadvantages	4		
1.1.2	Jessner's Solution	4		
1.1.2.1	Advantages	4		
1.1.2.2	Disadvantages	4		
1.1.3	Pyruvic Acid	5		
1.1.3.1	Advantages	5		
1.1.3.2	Disadvantages	5		
1.1.4	Resorcinol	5		
1.1.4.1	Advantages	5		
1.1.4.2	Disadvantages	5		
1.1.5	Salicylic Acid	5		
1.1.5.1	Advantages	5		
1.1.5.2	Disadvantages	5		
1.1.6	Trichloroacetic Acid	5		
1.1.6.1	Advantages	5		
1.1.6.2	Disadvantages	6		
1.1.7	Deep Chemical Peels	6		
1.1.7.1	Advantages	6		
1.1.7.2	Disadvantages	6		
1.1.8	Combination Peels: Salicylic Acid + TCA	6		
1.1.8.1	Advantages	6		
1.1.8.2	Disadvantages	6		
1.2	How to Choose the Best Peeling for the Patient	6		
1.2.1	Acne	6		
1.2.2	Actinic Keratosis	7		
		1.2.7	Rosacea	9
		1.2.8	Solar Lentigo	10
Part II				
Modalities of Application				
2	Glycolic Acid	13		
	Gabriella Fabbrocini, Maria Pia De Padova, Antonella Tosti			
2.1	History	13		
2.2	Chemical Background	13		
2.3	Properties	13		
2.4	Formulations	13		
2.5	Indications	14		
2.6	Contraindications	14		
2.7	Peeling Preparation	14		
2.8	Peeling Technique	16		
2.9	Post-peeling Care and Complications	19		
2.10	Disadvantages	19		
2.11	Side Effects	19		
2.12	Results	20		
2.13	Informed Consent	20		
	References	21		

3	Jessner's Solution	23	5	Resorcinol	41
	Pearl E. Grimes			Ilaria Ghersetich, Benedetta Brazzini, Torello Lotti, Maria Pia De Padova, Antonella Tosti	
3.1	History	23	5.1	History	41
3.2	Chemical Background	23	5.2	Chemical Background and Properties	41
3.3	Formulations	24	5.3	Formulations	41
3.4	Indications	25	5.4	Indications	42
3.5	Contraindications	25	5.5	Contraindications	42
3.6	Skin Preparation	26	5.6	Peeling Preparation	44
3.7	Peeling Technique	27	5.7	Peeling Technique	44
3.8	Post-peel Care	27	5.8	After Peel Care	45
3.9	Advantages of Jessner's Peeling	27	5.9	Side Effects	45
3.10	Disadvantages of Jessner's Peeling	27	5.10	Advantages	46
3.11	Side Effects	28	5.11	Disadvantages	46
3.12	Patient's Informed Consent . .	28	5.12	Patient's Informed Consent . .	46
