Product: Brilliant Green Stain, 5% in alcohol

Chemical Name: N-[4-[[4-(Diethylamino)phenyl]phenylmethylene]-2,5-cyclohexadien-1-ylidene]-N-ethylethanaminium sulfate, denatured anhydrous ethanol

Chemical Formula: C₂₇H₃₄N₂O₄S, C₂H₅OH

Physical Description: Green liquid with a mild alcohol odor.

Special Hazards: Self-contained breathing apparatus recommended.

Unusual Fire/Explosion Hazards: Vapors may travel to source of ignition and flash back. Vapors may settle in low or confined spaces. May produce a floating fire hazard. Static ignition can result from handling and use.

Reactivity: Stable

Hazardous Decomposition Products: N/A

Spill or Leak Procedures

Action: Small spills can be flushed with large amounts of water. Large spills: Eliminate all ignition sources; ground all equipment; do not walk through spill; stop spill if possible; prevent entry into sewars, confined spaces, etc.; use a vapor suppressing foam to reduce vapors; absorb spill with non-combustible matter and transfer to containers; use non-sparking tools to collect absorbed material.

Disposal Method: Vapors may collect in empty containers. Treat empty containers as hazardous. Dispose of spill clean-up and other waste in compliance with all current local, state and federal regulations.

Threshold Limit Value: N/A

Overexposure Effects: Long term repeated oral exposure to ethanol may result in the development of progressive liver injury with fibrosis.

Potential Carcinogen: No

First Aid Procedures

Skin: Wash affected area with soap and water for at least 15 minutes.

Eyes: Flush eyes with water for at least 15 minutes. Seek medical attention.

Ingestion: If patient is fully conscious, give two glasses of water. Induce vomiting. Seek medical attention.

Inhalation: Remove to fresh air; give artificial respiration if not breathing; if breathing is difficult, oxygen may be given by qualified personnel; seek medical attention if discomfort persists.

Special Protection Information

Special local ventilation is needed where vapors escape to workplace air. Use self-contained breathing apparatus in high vapor concentration; wear gloves, lab coat, safety glasses with eye wash and safety shower nearby.

Special Handling Precautions

Avoid contact with skin, eyes and clothing. Store in closed containers. Use with adequate ventilation. Flammable.
