The statements herein are offered for informational purposes only and are intended to be followed only by persons having related technical skills and at their own discretion and risk. Since conditions and manner of use are outside our control, we make no warranties, express or implied, and assume no liability in connection with any use of this information.

Product/Chemical Name: Salicylic Acid in Polyethylene Glycol

Formula: 30% W/V Salicylic Acid in Polyethylene Glycol (C₇H₆O₃) in Polyethylene Glycol

Physical Description: Thin, light amber color liquid.

Special Hazards: Self-contained breathing apparatus is required.

Unusual Fire/Explosion Hazards: None

Extinguishing media: Water fog, carbon dioxide, foam or dry chemical (water may be ineffective).

Reactivity: Stable

Hazardous Decomposition Products: Not available

Spill or Leak Procedures

Action: Take up with absorbent material and place into containers for later disposal.

Disposal Method: To be performed in compliance with all current local, state and federal regulations.

Threshold Limit Value: N/A

Overexposure Effects: May cause headache, dizziness, rapid pulse, slight to moderate hyperpnea, lethargy, vomiting, tinnitus, dermatitis, dyspnea, shortness of breath and death.

Potential Carcinogen: No

First Aid Procedures

Skin: Wash with soap and water. Get medical attention.

Eyes: Check for and remove any contact lenses. Flush with water for 15 minutes, occasionally lifting upper and lower eye lids, until no evidence of chemical remains. Continue flushing with normal saline until the pH has returned to normal (30-60 minutes). Get medical attention immediately.

Ingestion: Check for and remove any dentures. Get medical attention.

Inhalation: Remove from exposure area to fresh air immediately. If breathing has stopped, perform CPR. Treat symptomatically and supportively. Get medical attention.

Storage Recommendations: Store protected from light at room temperature.

Special Protection Information

Skin and eye protection required.

Special Handling Precautions

Handle with care. Store away from heat.
