

Delasco Preferred Program Details

Enrollment in the Delasco Preferred Program qualifies your practice for guaranteed competitive pricing, instrument care, shipping and partner discounts.

Competitive pricing

- Guaranteed pricing through the end of the calendar year.
- Delasco's lowest offered price on dermatology consumables and chemicals.
- Preferred pricing visible to program members using Delasco.com.

Instrument Care

- Instrument care services can be scheduled by your Delasco Expert.
- Delasco-branded instruments will be repaired or sharpened at no charge.
- Non-Delasco brand instruments will be repaired or sharpened at 35% off our published rate.
- Instruments will be inspected and deemed fit for repair before service is performed. Delasco reserves the right to advise against or decline repair of worn or poorly maintained instruments, which may present a patient safety hazard.
- Delasco may recommend instrument replacement where repair is ill-advised.
- Instruments must be sent to Delasco with proof of sterilization per OSHA guidelines. Unsterilized instruments will be immediately returned to you.
- Instruments will be serviced within 5 business days, excluding transit time.
- Delasco offers free standard ground shipping on return shipment. Expedited shipping will incur additional fees.
- Replacement of tungsten carbide inserts is not included.

Flat Rate and Free Shipping

- Orders under \$500-receive \$10 flat rate ground shipping within the contiguous United States.
- Orders over \$500-receive free ground shipping within the contiguous United States.
- Orders with heat-sensitive or freezable items will ship separate free 2nd day air on those items within the contiguous United States.
- Back ordered items will be shipped separately at no charge when available.
- Freight, Hazmat, inside delivery fees are not included.
